

Beyond the Classroom

This document is your opportunity to share with us all of the things you do (and have done in the past) when not taking classes or working on homework.

This will give us a more complete picture of who you are as a person, allowing us to see how you might actively contribute to the honors college community.

List the entries **in order of importance to you**. The first should be your most valued/meaningful, #2 your second, #3 your third, and so forth.
